In the 21st century, there is a terrorist group that attacks peaceful towns. With only 24 hours left, your goal is to free your family and bring peace back to your home town.

Knock over drums!
Be aware of the red ones!
They explode!

Save the hostages
and get more power!
Bonus too!

Avoid enemy trailers!
Or you will be wiped out!

Use your technique
to break their
traps!

Evade ambushers!
They will destroy you!

Escape from their attacks!
Use the escape button and jump!
